

# Stuewe Plug Trays

The light weight **Stuewe Plug Trays** work with both Elle plugs and loose soil. The cavities feature a tapered bottom and vertical root training ribs to prevent roots from circling.

Please recycle. ♻️

Dome is not available for ST60T.

\* Dome is sold separately.

# RootMaker

**RootMaker®** fibrous root systems result in a large root tip and therefore a greater efficiency in the absorption of water and nutrients. Plants have a higher transplant survivability and superior performance. RootMaker trays create a fibrous, non-circling root system (without chemicals), accelerate horizontal plant growth and increase vigor.
